

# Scalars & Vectors

Fairlight Tuition

## Five 1

[Mechanics]

Name: .....

Date: .....

[www.FairlightTuition.org](http://www.FairlightTuition.org)

## Easy

1. What are quantities?

.....  
.....

2. What property must all quantities possess?

.....  
.....

## Moderate

3. Name 4 scalar quantities:

.....  
.....

4. Name 4 vector quantities:

.....  
.....

## Hard

5. What is the difference between scalar and vector quantities?

.....  
.....  
.....  
.....
